Proposed Change to Current Provision

1. General description of current provision

The December 31, 2010 is the last filed valuation for the Primary Plan and for the Supplemental Plan.

2. Proposed change(s) to current provision

File the December 31, 2011 valuation for the Primary Plan and for the Supplemental Plan.

3. **Effective date of change.** *If a proposed variation of the change requires different effective dates then set out (e.g. all members [date 1], all new members [date 2]).*

4. **Who is impacted by the change and any variations thereof (e.g. all members, all new members or a subset of either: deferred members; retired members; employers; etc).**

5. **Provide key rationale for change.**

No further contribution rate increases, beyond the changes affected through 2010 approved changes, will be required.
